**Re:** Modern Course Music Books

---

We will soon be using our Modern Course Books in class. These books are filled with great songs for our students to learn and perform. These books were listed on the instrument flyers you received when you interviewed for the instruments. We will use these book all year long.

The cost is \$17.00 for each book. We had to order them from the publisher this year, so the band has already purchased them. We need to pay the publisher, so we do need to sell these books to our students quickly.

Please bring cash or a check made out to Watkins for this book as soon as possible. If you pay with a check, please write the child's name and "58B" in the memo line of the check.

If you have any questions or concerns, please call or e-mail.
